

Measuring Guide

This guide below will give you an idea of what length of ramp you require based on the height of your steps combined. If the height of your steps is more than 12 inches, please call us and we can contact our supplier to find out what size of ramp would be required.

Height of Steps	Gradient	Ramp Length
3 inches	1 in 7	2ft
4 inches	1 in 7	3ft
5 inches	1 in 7	3ft
6 inches	1 in 7	4ft
7 inches	1 in 7	5ft
8 inches	1 in 7	5ft
9 inches	1 in 7	6ft
10 inches	1 in 7	6ft
11 inches	1 in 7	7ft
12 inches	1 in 7	7ft
13 inches	1 in 7	8ft
14 inches	1 in 7	8ft

Other ramps are available.
If you are looking for something in particular,
please speak to our advisors.
