# Destiny

The Destiny offers cutting-edge design, lightweight construction, and exceptional stability, all while being affordable. Its effortless folding mechanism ensures trouble-free transportation and compact storage.

**Exceptionally Lightweight aluminium frame design:** with total weight\* including the folded seat of only just over 16kg makes the scooter very manageable for lifting into and out of your car boot.

**Fast & Easy Folding:** Folding or unfolding the Destiny takes only approximately 30 seconds!

**The Wide and Spacious Seat:** with its cushioned supportive back ensures a fantastically enjoyable and comfortable driving experience. Plus, the adjustable arms provide extra comfort and security as needed.

**Exceptionally Lightweight Lithium Battery:** The 10Ah battery is easily accessible and simple to remove. You can charge it off-board directly into the battery case or via the easily accessible tiller charger.

**Delta Tiller:** The adjustable Delta tiller allows for precise forward and backward positioning, ensuring full user control at all times.

**Colour Choice:** A wide selection of modern scooter colours allows you to choose your favourite.

So whether you're cruising through city streets or enjoying scenic routes, the Destiny Scooter ensures a smooth and convenient ride for all your mobility needs.
